RESPONSE TO THE NEVADA SITE SPECIFIC ADVISORY BOARD (NSSAB) FISCAL
YEAR (FY) 2021 BASELINE PRIORITIZATION RECOMMENDATION – WORK PLAN
ITEM #7

I would like to extend my appreciation to the NSSAB for taking the time to evaluate and prioritize the tasks included in the FY 2021 baseline for the U.S. Department of Energy, Environmental Management (EM) Nevada Program. The NSSAB's baseline prioritization recommendation is important to the EM Nevada Program and will not only be considered in the development of our prioritized budget submission to Headquarters, but will also be sent directly to Headquarters in support of our FY 2021 budget request.

I would also like to thank the NSSAB for the dialogue during the April 24, 2019 Full Board meeting on this work plan item. This discussion allows my staff to understand the board's perspectives and insights for future baseline prioritization planning.

If you have questions or comments regarding this recommendation, please contact Kelly Snyder at (702) 295-2836.
