

Our Vision: *"Building Tomorrow's Mission, Today."*

Our Mission: "In an effort to become and influence future leaders of the NNS and its mission, our mission is to establish a platform for early career Mission Support and Test Services (MSTS) employees to experience professional development, employee engagement, and community outreach to shape them into leaders of tomorrow's mission."

About Us:

- ★ **Established:** February 2017
- ★ **Target:** Early career professionals who are under the age of 35 who have been working in their field for less than 10 years
- ★ **Current membership:** 100
- ★ **Where we work:** All over the place! (Multiple locations and in Information Technology, Human Resources, Emergency Management, Nuclear Operations, Innovative Customer Solutions, and many more)
- ★ **What we do:** Serve as a platform for employees to champion and support each other in achieving their goals and interests and overcoming challenges
- ★ **How we do it:** Host events for members to engage and learn, including "Lunch & Learns" with guest speakers, social outings, and volunteer opportunities

We know it's tough adjusting to a position in a new company. Please visit the link below to learn more about ECERG and to sign up to be a member. Welcome to MSTS!
