Training

Due to COVID-19, in-person training availability is limited.

- AS-50 is available in recorded form
- AS-100 available in an online self-study version
 - <https://snl.matrixlms.com/>
 - Instructions at <https://nirp.sandia.gov> under AS100 Training “FRMAC Training Portal MATRIX Login Instructions”
- Quarterly Continuing Training continues
 - Most recent 6/29
 - Next in August
 - Recordings available at nirp.sandia.gov
 - Will be added to LMS as time allows

Assessment Working Group Update

INNOVATE. COLLABORATE. DELIVER.

Turbo FRMAC:

New calculations:

- Converting Grab Air Samples to Integrated Air
- Time to Intervention Level
- Time Varying Projected Contamination Levels in Crops
- Crops for Animal Consumption

Improvements to current functionality

- Dose Parameter Rollup
- Mixture Adjustment Tool

We anticipate releasing a new version of Turbo FRMAC in the Fall.

COSMOS: New RFI Portal for entering requests

The screenshot displays the COSMOS RFI Portal interface. On the left is a navigation menu with the following items: FIELD ASSESSMENT MANAGER, Incident Dashboard, RFI Board, New RFI, File Management, Workflow Builder, Profile, Incidents, Portal, and Linked RFI. The main content area is titled 'Portal CM22' and contains three cards under the heading 'Portal Information':

- Portal Code:** Features a lock icon and a redacted code. Below it is the text 'The Portal Code is the unique key into the Incident.' and a 'COPY CODE TO CLIPBOARD' button.
- Portal URL:** Features a globe icon and a redacted URL starting with '/portal/'. Below it is the text 'The Portal URL is the unique path to the Incident.' and an 'OPEN THE PORTAL' button.
- Portal Invite:** Features an icon of a person with an envelope. Below it is the text 'Click to invite someone to the Portal Incident.' and a 'SEND PORTAL INVITATION' button.

COSMOS: New RFI Portal for entering requests

The screenshot shows the COSMOS Portal interface for entering a request. The header includes the COSMOS logo and the text "COSMOS Portal". Below the header, the "Incident Name" is set to "CM22" and the "Description" field is redacted with a black box. A green "CANCEL" button is visible. The form is divided into two main sections: "Request Basics" and "Request Details".

Request Basics

- Request Title * (empty text input)
- Level of topic coverage (dropdown menu, selected: Overview/Summary)
- Requested Due Date * (calendar icon, selected: 07/21/2022 11:20 AM, note: Calendar is in Local Time.)
- Identify the particular question/concern you want addressed by this request * (text area, note: BE SPECIFIC!)

Request Details

- Request Type * (dropdown menu, selected: Map)
- Intended Audience (dropdown menu, selected: Non-Technical Leadership)
- How will the map be displayed? (dropdown menu, selected: Projection screen)
- Please provide additional information about the intended audience (text area)
