Interagency Modeling and Atmospheric Assessment Center

Recent Activities

Trainings and Outreach:

- Special Feature Webinars on the following topics:
 - IMAAC Portal
 - Data Assessment
 - Mobile Resource Sets
 - Using CBRNResponder in an Emergency
- From August through December 2021, 1,132 personnel and 389 organizations have been reached through trainings, webinars, presentations, etc.

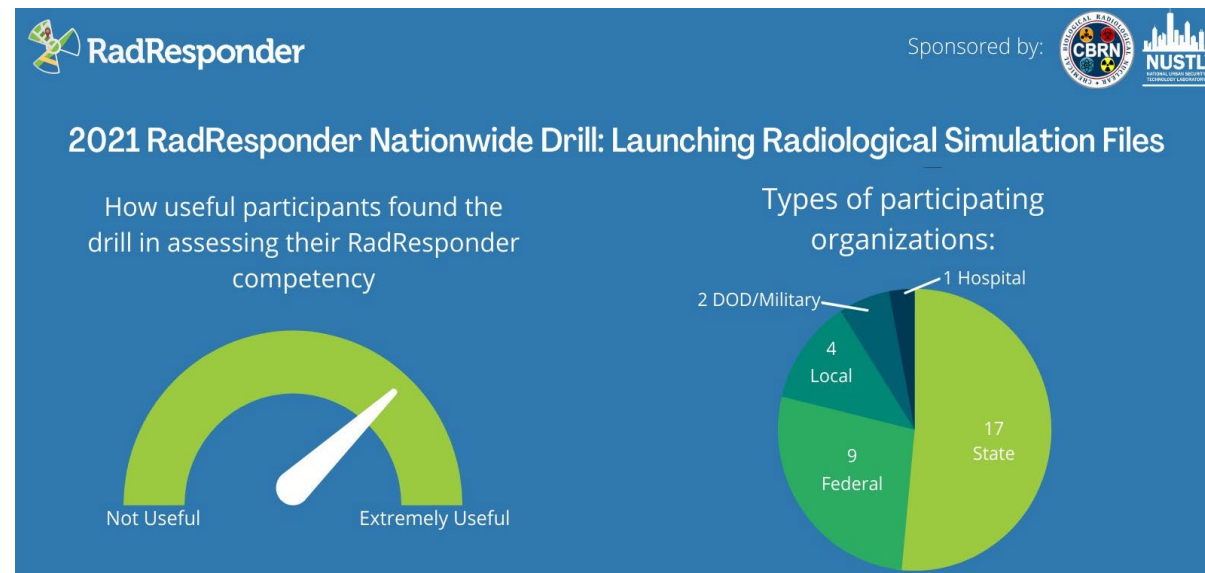

RadResponderPrepared:

- Due to the similarity of the Ready.gov campaign with the RadResponderReady program, the name was changed to **RadResponderPrepared**
- 19 organizations are RadResponderPrepared

Nationwide Drill: Launching Radiological Simulation Files (Sept 8, 2021):

- 67 data collectors, 47 events created, approx. 860 simulated readings entered
- Participants practiced utilizing the radiological simulations capability through the CBRNResponder mobile application and completed all tasks and questions in the drill activity

Next 6 Months

Major Technical Enhancements:

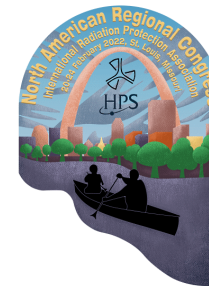

- Mobile low-bandwidth mode to support data upload in a low-data/low-connectivity setting
- Equipment locations for inventory tracking
- Data assessment policy sharing
- Indoor monitoring enhancements

Upcoming Activities:

- Next RadResponder Nationwide Drill (topic and date TBD)
- Regional, customized trainings
- Support Cobalt Magnet 2022
- Community Initiative article focusing on Ohio's statewide use of RadResponder
- Monthly Special Feature Webinars

Upcoming Presentations:

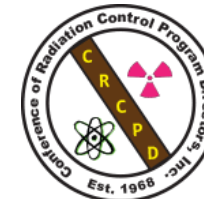

- International Radiation Protection Association Conference (IRPA) – February 20-24, 2022

- National REP Conference (NREP) – April 11-14, 2022

- 54th National Conference on Radiation Control (CRCPD) – May 16-19, 2022
